**IMPORTANT NOTICE TO AWARDING BODIES  
AND OTHER INTERESTED PARTIES  
REGARDING THE GENERAL PREVAILING WAGE DETERMINATIONS**

The collective bargaining agreement for *Western States Storage Tank Erection and Repair Agreement between the International Brotherhood of Boilermakers, Iron Shipbuilders, Blacksmiths, Forgers, and Helpers (AFL-CIO) and Individual Employers and or Employer Associations*, has been rescinded by the signatory parties.

This collective bargaining agreement had been filed as the basis for recognizing this craft, classification or type of worker as prevailing. Given the rescission by the original signatory parties to the agreement in our files, there is no longer a basis for recognizing the craft of ***Boilermaker-Blacksmith (For Storage Tank and Erection and Repair)*** as a prevailing classification. Therefore, **Determination C-14-X-8-99-1 (pg. 2C) will no longer be in effect as of March 3, 2000.**

This classification may continue to be used on public works projects for which the notice to bidders has been published before March 3, 2000.

**IMPORTANT NOTICE TO AWARDING BODIES  
AND OTHER INTERESTED PARTIES  
REGARDING THE GENERAL PREVAILING WAGE DETERMINATIONS**

The Department of Industrial Relations has determined that the collective bargaining agreement **MAINTENANCE OPERATION AGREEMENT** between *Laborers Local 300, affiliated with the Laborers' International Union of North America and Insituform Southwest* is no longer in effect.

This collective bargaining agreement was the basis for **Determination C-102-300-97-2 (pg. 2D)**. Given the finding by this Department that this agreement is no longer a bona fide agreement for consideration under Labor Code Section 1773 and the regulations governing the payment of prevailing wages, there is no longer a basis for recognizing the *Sewer Maintenance Worker* classification. Therefore, *Sewer Maintenance Worker* classification under the above determination will no longer be in effect as of **March 3, 2000**.

This classification may continue to be used on public works projects for which the notice to bidders has been published before **March 3, 2000**.
